## WEB DEVELOPER | FRONTEND ENTHUSIAST | UI/UX DESIGNER

navdeepkoursodhi2004@gmail.com • 9855272525 • www.linkedin.com/in/navdeep-kaur0409

### SUMMARY

Results-driven Web Developer and UI/UX Designer with a proven ability to design user-friendly, high-quality websites and applications. Solved 350+ problems on GeeksforGeeks and LeetCode, demonstrating analytical and problem-solving skills. Excels at collaborating on cross-functional teams to deliver innovative, functional, and visually appealing digital experiences.

### EDUCATION

#### Bachelor of Engineering, Computer Science

Chitkara University, Rajpura, Punjab

CGPA - 8.9

Oct 2022 - June 2026

#### High School Education

The Cambridge School, Dhuri

12th - 89.9% | 10th - 89%

March 2011 - March 2022

### PROJECTS

#### Fitness Center | React, Vite, and Tailwind CSS | Demo

- Developed an interactive and responsive gym website, incorporating modern animations for an engaging user experience.
- Designed layouts to ensure compatibility across all devices, improving accessibility.

#### LearnLynx | Full Stack Application with React.js, Node.js, MongoDB, Express.js, and RazorPay | Demo

- Developed a feature-rich Learning Management System (LMS) with secure user authentication and personalized dashboards.
- Integrated multiple functionalities, including course management, payment gateway (RazorPay), and efficient database handling using MongoDB

#### Wanderlust | Full Stack Application with HTML/CSS, Node.js, MongoDB, Express.js and Bootstrap | Demo

- Created a dynamic travel application allowing users to add, review, and delete hotels, supported by an interactive map.
- Ensured smooth CRUD operations with efficient design and responsive front-end frameworks.

### PROFESSIONAL EXPERIENCE

#### Graphic Designer

Debating Society, Chitkara University | March 2023 – Jan 2024

- Designed promotional materials and digital templates to enhance event branding and visibility on social and print platforms.
- Collaborated with teams to strengthen DBSOC's public image and visual identity.

#### Freelance Designer

- Delivered tailored web templates with user-friendly designs for diverse clients.
- Launched self-initiated projects with engaging animations and visual enhancements.

### ACHIEVEMENTS & INTERESTS

- Solved 350+ coding problems across GeeksforGeeks and LeetCode.
- Interests: Public Speaking, Debating, Painting, Cricket.
